

# 1.4 NIGHT HAWK LIGHTS

## PRODUCT INFORMATION SHEET

“CONQUER THE NIGHT”

### FEATURES:

- Heavy Duty Powder Coated Steel Body
- Brushed Stainless Steel Ring
- Highly Polished E-Coat Long Life Reflector
- Multi Directional Heavy Duty Steel Mounting
- Hardened High Quality Optics
- Lens Protection Covers
- H3 100 Watt Globes
- Industry Leading 1 Year ‘No-Fuss’ Warranty

### SPECIFICATIONS

Part Number	NH-160-PENCIL	Part Number	NH-160-SPREAD
Description	Night Hawk 160mm Pencil Beam	Description	Night Hawk 160mm Spread Beam
Dimensions	Light Diameter - 160mm Lens Diameter - 140mm Total Depth - 70mm Mounting Depth - 20mm	Dimensions	Light Diameter - 160mm Lens Diameter - 140mm Total Depth - 70mm Mounting Depth - 20mm
Warranty	1 Year No-Fuss Warranty	Warranty	1 Year No-Fuss Warranty

Part Number	NH-205-PENCIL	Part Number	NH-205-SPREAD
Description	Night Hawk 205mm Pencil Beam	Description	Night Hawk 205mm Spread Beam
Dimensions	Light Diameter - 205mm Lens Diameter - 180mm Total Depth - 130mm Mounting Depth - 50mm	Dimensions	Light Diameter - 205mm Lens Diameter - 180mm Total Depth - 130mm Mounting Depth - 50mm
Warranty	1 Year No-Fuss Warranty	Warranty	1 Year No-Fuss Warranty

Part Number	NH320H	
Description	Night Hawk Wiring Loom	
Dimensions	<ul style="list-style-type: none"> <li>• Dual Fuse Holders</li> <li>• Suits 12V or 24v Applications</li> <li>• Quick Connectors</li> <li>• Cable Ties</li> </ul>	<ul style="list-style-type: none"> <li>• Mouse Style LED Touch Switch</li> <li>• Heavy Duty 30amp Relay</li> <li>• High Impact Weather Resistant Connectors</li> <li>• Double Insulated Wires for Maximum Protection</li> </ul>
Warranty	1 Year No-Fuss Warranty

# 1.4 NIGHT HAWK LIGHTS

## PRODUCT INFORMATION SHEET

“CONQUER THE NIGHT”

### PRODUCT TIPS

- When mounting the lights, place them in a position that does not obstruct any existing automotive function.
- A 10mm diameter hole will be needed to mount NH160 and a 12mm diameter hole for NH205 lights via the mounting bracket. If drilling is required ensure raw metal edges are painted with corrosion resistant paint.
- Recommended Torque for NH160 lights is 17Nm and NH205 to 30Nm.

### SAFETY PRECAUTIONS

- These lights should only be fitted by a qualified automotive technician.
- Lights are to be installed on a 12 volt system only.
- The Lamps get very hot when in use, do not touch them as they may cause burns.
- Do not splash water directly on the hot lamps, as they may cause cracking of the lens due to extreme changing in temperature.
- After lights have been on, do not place them near flammable objects.
- Do not look directly into the light of the lamps as the bright light may cause eye damage.
- This light system may be used on as an auxillary to High Beam.
- Do not repeatedly turn the light system on and off, as it will shorten the life of the globes.
- Do not have the lights switched on when starting the engine, as some vehicles generate high voltage at start up which can damage the lights.
- Do not connect lights to turn signals or to flash with an alarm.

FEATURES	BENEFITS
• Heavy Duty Powder Coated Steel Body	Strong corrosion resistant finish that can withstand the Australian environment. Will look new for years.
• Brushed Stainless Steel Ring	Durable corrosion free fastening ring offers strength and style to the overall light design.
• Highly Polished E-Coat Long Life Reflector	Provides super bright reflection from lamp, designed to prevent reflector from fading through use.
• Multi Directional Heavy Duty Steel Mounting	Robust Mounting Point that can comfortably hold the light any any required direction without the risk of failures due to the vibrations of corrugated roads and shocks forces from the large vehicke suspension movements common in offroad driving.
• Hardened High Quality Optics	Provides a powerful Lens that wont let you down.
• Lens Protection Covers	Helps protect your lights from nature when not in use. Stylish and eye catching.
• H3 100 Watt Globes	Bright White light that will help you Conquer the Night
• Industry Leading 1 Year ‘No-Fuss’ Warranty	A sound investment from a Quality Assured Company
