

- **Fixed Windows**

Kingsley Bonded Fixed Windows enhance the New Hyundai iLOAD's stylish appearance. Our Full-sized contoured glass follows the sleek lines precisely, giving that complete OEM appearance.

- **Sliding Windows & Flyscreens**

Bonded Sliding Windows with available Flyscreens, have the same sleek stylings of the fixed windows with the finish and functionality reflects the high standards seen on all Quality Assured Kingsley Products. Fantastic for ventilation, passenger and camper conversions.

- **Timber Floors & Rubber Mats**

Commercial Vans frequently experience hard bumps and knocks from loading and cargo shifting around. Kingsley Enterprises manufacture two ideal products to protect your cargo area. The Timber Floor and Cargo Mat both provide impact resistance for your vehicle and can reduce the amount of load movement while in transit.
