

Kingsley Enterprises
Occupational Health and Safety Policy

Kingsley Enterprises is committed to providing, as far as possible, a safe and healthy environment for all employees and visitors to the workplace.

We recognize that maintaining the highest possible standards of health and safety is a key management responsibility.

In fulfilling this aim we are committed to regular consultation with employees on health and safety issues. All employees must participate in programs that are designed to protect their health and safety.

Our aim is to provide the necessary time, energy and resources to:

Provide and maintain systems for the safe use, handling, storage and transportation of plant and substances.

Keep the workplace in a safe and healthy condition.

Provide suitable information, training and supervision for all employees.

To ensure that the workplace is safe and without risk to health, Kingsley Enterprises is committed to a Management System which meets the requirements of AS/NZS 4801:2001, OHSAS 18001:2007 and all relevant Occupational Health & Safety Acts and Regulations.
